

Curse Of Being A Girl
Kashmir

This version is where Kasper performs solo on an Icelandic TV show.
I haven't tabbed the solo off yet, so this is just the chords for the
verse and chorus. =)

Capo 3.

G **Am**
You pretend that you're allright
Em
The worst noise
Bm
Is when you are keeping quiet
D **Am**
Seeing now the kind of girl
C G C Em
who will dramatise, traumatise
G **Am**
Don't fold your hands, don't hold your tongue
Em **Bm**
The other girls will try to prove you wrong
D **Am**
The words will torture like a storm
C G C Em
you can't step aside, you can't resign

D **Am C**
It's just the curse of being a girl
G **Am** **Em**
tonight you must hold your head up high
D **Am C**
Be aware that you're the purest pearl
G **Am** **C**
Tonight shoot the reflections back in their eyes
