Lyrics by: Kasper Eistrup

**Em** **G** **Am**  
There is a house in this town  
**C** **D** **Em**  
That our old son could never reach its arms around  
**G** **Am**  
And if you walk in the door  
**C** **D** **Em**  
A spring of dark water overflows the floor

**Cmaj7** **Asus2** **D** **Em**  
How am I supposed to lay  
**Cmaj7** **Am** **F** **Em**  
Without the love that only you can give to me  
**Cmaj7** **Asus2** **D** **Em**  
How am I supposed to get through  
**Cmaj7** **Am** **F** **Bm** **G#m** **C#m** **G#m**  
These days are dark without you

You re the ray in my lens  
**C#**  
And the sand in my hands  
**B** **E** **G#m**  
And the only beat to which my heart can dance

Your the mouse in the sheets  
**C#**  
And the winds that are free  
**B** **E** **Em**  
And the only words I am compelled to read

**G** **Am**  
There was a heart in this chest  
**C** **D** **E**  
So confident that our future only brought the best

But now that s just an empty space  
Where only light projecting pictures of her face

How am I supposed to lay  
Without the love that only you can give to me  
How am I supposed to get through  
These days are dark without you
