[Verse 1]

D G/D
There s a hole in the sky
Dm7 D
that she saw as we were walking by
Bb Am7 Gm F
I wonder if that s what you saw that s gone
Bb Am7 Gm C7
and if it s anything left for me

D G/D
Then we took the first train
Dm7 D
to the opposite side of town
Bb Am7 Gm F
Got up on a street where nobody knows us
Bb Am7 Gm
and then took off with no sign

[Chorus 1]

C F Bb C
Remember when it was just me and you and time
F Bb C
When we re gonna sleep somewhere down along the line
F Bb C
Discussing our options on how to get some more wine
Gm Dm
There was peace in the heart

[Verse 2]

D G/D
This hole in the earth
Dm7 D
and the truth lost between every word
Bb Am7 Gm F
I wonder if that s where our soul has gone
Bb Am7 Gm
and if it will ever return

[Chorus 2]

C
Remember when it was just me and you and time
F Bb C
When we re gonna sleep somewhere down along the line
F Bb C
Discussing our options on how to get some more wine
Gm Dm
There was peace in the heart
