By Achtung!

Capo 3rd fret

(Cmaj7/G **Fmaj7**) x2

(VERSE)

Cmaj7/G **Fmaj7**
Along the early evening
Cmaj7/G **Fmaj7**
In a spray of gasoline
G **Fmaj7** **Am** **Cmaj7/G**
I m secretly watching how she leans
 Bbmaj7
Against the hedge

Cmaj7/G **Fmaj7**
I feel no need to tell her
Cmaj7/G **Fmaj7**
About my joy in her every move
G **Fmaj7** **Am** **Cmaj7/G**
Feeling no neeeeed tooo intrude
 Bb6 **Am**
Cause she s so loose, so loose
G **G7** **G** **G7**
Oh, so loose

// Chorus:

Dm **Em7** **Fmaj7**
She hands me a piece of the sun
 G **C** **F**
All unaware that there s one
 Em7 **G** **G7** **G** **G7**
Reeling her into his eyes
Dm **Em7** **Fmaj7**
Just as the night has come on
 G **C** **Dm**
A dazzling piece of the sun
 Am **G** **Cmaj7** **Fmaj7**
Is oozing from her pale green eyes

The night s got no direction
So that is the one I ll take
Seeing it through and stay awake

Cause it s so clear

Nothing can distract me
Put the car into gear
Nothing can drive me out of here
Cause I m so tied, I m all tied
Oh, so tied

She hands me a piece of the sun
All unaware that there s one
Reeling her into his eyes
Just as the night has come on
A dazzling piece of the sun
Am G
Is oozing from her pale green...
