( INTRO )

F C G3 Am G7/B C

( VERSE )

**F**                      **C**                      **G3**                      **Am**                      **G7/B** **C**

I found it on the sidewalk last night

**F**                      **C**                      **G3**

a coffin made of ivory

Am      G7/B      C

with its lid pushed aside

**F C G3 Am G7/B C**

As I was getting closer looking down

**F**                      **C**        **G3**

covered up in purple plastic balls

Am      G7/B      C

it was you that I found

**F**                      **C**        **G3**

Before I had a chance to

Am G7/B C

reach down and give my hand to you

**F** **C** **G3**

like a champagne cork you got up

Am G7/B C

and disappeared

( CHORUS )

**F**                      **C**                      **G3**                      **Am**

Oh uhhh uhhh uhh. Oh Seraphina

**G7/B** **C**  
here is peace to your soul

**F** **C** **G3** **Am** **G7/B C**  
a lightyear gone, but not letting go

(VERSE)

Then I was at your funeral with my best friend  
at a dive bar in your neighbourhood where all good things come to an end  
he told me over and over again it might be hard to understand but  
don t mourn the dead celebrate the life they gave

(BRIDGE)

**A#** **Dm** **C** **Em**  
isn t it a shame that we have to go away

**A#** **Dm** **C** **Em**  
when there is still so much that we never got to say?

**A#** **Dm** **C** **Em**  
wouldn t it be nice if we could conti--nue

**A#** **Dm** **C** **Em**  
to the end of the universe and beyo----nd?

(CHORUS)

Oh uhhh uhhh uhh. Oh Seraphina  
here is peace to your soul  
a lightyear gone  
but not letting go  
put that shuttle in reverse
