03. THE AFTERMATH 04.22
- Capo 1 fret -

A **D** **A**
I m wondering if my thoughts of her
A **D** **A**
have ever crossed her thoughts of me
F#m **E** **D**
and if they re half as clear as mine
D **D/C#** **E**
and if there ll ever be a time

A **D** **A**
for us to journey once again
A **D** **A**
as lovers and as trusted friends
F#m **E** **D**
what if the best is yet to come
C#m **Bm** **F#m** **E** **E7**
and this was only the first part run

A
get a hold of yourself
C#m **D**
don t worry about the aftermath
F#m
there is no one after you
E **E7**
or on your back
A
get a hold of yourself
C#m **D**
and don t worry about the aftermath
F#m
there is no one after you
Bm **D** **F#m** **E** **Bm** **D**
And there is no one after... you
Bm **D** **F#m** **E** **Bm** **D**
there is no one after... you

A **D** **A**
but the everyday just can t compete

A **D** **A**
 with the beauty of a polaroid
F#m **E** **D**
 the fairytale endures complete
D **A** **Bm** **E**
 and her eyes are always full of joy

A D A
like a frozen glimpse of butterflies
A D A
on a colourized celluloid sky
F#m E D
she waves her cheerful last goodbye
C#m Bm F#m E E7
and begs for me to let passed things slide

A
get a hold of yourself
C#m D
don t worry about the aftermath
F#m
there is no one after you
E E7
no one on your back
A
get a hold of yourself
C#m D
and don t worry about the aftermath
F#m Bm D F#m E Bm D
there is no one after you
Bm D F#m E Bm D
there is no one after you
