

**One Man Army**  
**Kassidy**

This is my first ever time on here and I m really please with these chords and I think they re mostly right. This band is amazing and if you ve never heard them them you really should! :)

Standard Tuning

All the instrumentals are the same chords as the rest.

Intro: **Dm**

**Dm**  
I believe in a one man army

**Cadd9** **G**  
And I know it s a war I started, yeah

**G**  
Oh yeah
