

Waking Up Sideways

Kassidy

Chorus **D** **A**
Lurking in the shadows of madness
I m feeling like a fool in the silence
G **A**
I m waking up sideways
I m waking up sideways

Verse Well I m low coz you re here
(same) Got it right, I m seeing clear
(chords) When it s hard to let go
 And I think you should know

Verse Moving on from your eyes
 (same) Got me down, I feel alive
 (chords) When you re on my mind
 And I hope there s time for me to say

Chorus

Verse I forgot what to say
(same) What to do when you re away
(chords) When you re up and down
 When you re near I ll find a way to stay

Chorus

Interlude Bm - A - Bm - A - Bm - A - G - A

Bridge - mmmmm (same chords as chorus/verse)

Chorus (x2)

Outro (same chords as chorus/verse) - End on **D**
