[Intro]

**Em**

You say you a gangsta, that dont impress me none

**Em**

You say you a gangsta, aint seen a thing you done

**C**

I do it all on myself, I aint getting help

**Am**

From no one, from no one

[Verse 1]

**Em**

Yeah Im young, 21, living in a crazy world

But I know the difference between a man and a herb

**C**

You frontin like you got it, claim they hittin on your wallet

Gucci tellin you the time and you watch it,

**Em**

Now I aint stuntin like my daddy, hes livin with my grammie

Used to be a big baller, hes survivin off of gamblin

**C**

But I love him, hes my daddy, yeah I love him hes my daddy

Put him in a big house, before I ever see a grammy

**Em**

And my mommy started working days at the church

Finding faith in God cause the real world hurts

**C**

So much evil lurks, they just make us work

**Am**

But we cant find work

**Em**

Abuella, mommy and the girls, in a one bedroom

South beach lifestyle, they just paying for the view

**C**

Mommy on the couch, since she was 42  
Sacrificing for the kids, cause thats what mommys do

**Em**

So I smoke my spliff, I spliff it hard  
Candy says to stop, my voice is getting too harsh

**C**

So I sobered up, and my thoughts they rush

**Am**

And now I think of you behind bars

**Em**

Cross state lines, they spliffin good  
In Miami you catch a charge

**C**

**Am**

And the whole family tears apart

[Chorus]

**Em**

You say you a gangsta, that dont impress me none

**Em**

You say you a gangsta, aint seen a thing you done

**C**

I do it all on myself, I aint getting help

**Am**

From no one, from no one

**Em**

You say you a gangsta, that dont impress me none

**Em**

You say you a gangsta, aint seen a thing you done

**C**

I do it all on myself, I aint getting help

**Am**

From no one, from no one

[Verse 2]

**Em**

And this recessions so depressin

My parents dont stop stressin

**C**

Just hopin I learned all their lessons

And Im paying for this session

Im paying for this session

**Em**

And Im paying rent, food, clothes, phone, christmas presents

6 shots in, Im just countin all my blessings

**C**

No days off baby I aint restin

I told my sins, now Im done confessin

[Chorus]

**Em**

You say you a gangsta, that dont impress me none

**Em**

You say you a gangsta, aint seen a thing you done

C

I do it all on myself, I aint getting help

Am

From no one, from no one

Em

You say you a gangsta, that dont impress me none

Em

You say you a gangsta, aint seen a thing you done

C

I do it all on myself, I aint getting help

Am

From no one, from no one

[Verse 3]

Em

On way to the top, I make with what I got

You want my number baby, Im on a mission, catch up

C

Men sellin love like thieves

Am

But when the girlie leaves, hell stop flirtin with me

Em

So I took my heart off my sleeve

Never trust a man cause they all hungry

C

Yeah they all hungry

Am

Never trust a man cause they all hungry

[Bridge]

Em

Right when you thought you had me

Baby you just lost someone

Em

Finally got over you, baby time to move on

C

Never learned your lesson, aint even gonna question

Am

Why it went so wrong

Em

Right when you thought you had me

Baby you just lost someone

Em

Finally got over you, baby time to move on

C

Never learned your lesson, aint even gonna question

Am

Why it went so wrong

[Outrol]

Em

You say you a gangsta

That dont impress me none

**C**

You say you a gangsta

(**Am** - Optional)

Aint seen a thing you done

[Ending]

(if you want to)

**Em**
