[Verse]

Was only just the other day,  
when all this felt so real,  
Like nothing could go wrong,  
was like a never ending dream,  
nothing ever changed,  
for so long

But now you've gone away,  
And I've tried turning the page,  
and it's just not the same,

[Chorus]

But I'm breathing in,  
And I'm breathing out,  
I'm wide awake,  
But can't hear a sound,

Though I'm breathing in,  
I can't think about,

C D G  
Another you, Another me, Another now.

G D Em

[Verse]
