

Come A Long Way

Kate & Anna McGarrigle

**G#** **Eb** **G#**  
We ve come a long way since we last shook hands  
**C#** **Fm**  
Still got a long way to go  
**Eb**  
We couldn t see the flowers since we last shook hands  
**G#** **Eb** **G#** **C#** **G#** **C#**  
Couldn t see the flowers on account of the snow

What did you do with your burden and your cross  
Did you carry it yourself or did you crack  
You and I know that a burden and a cross  
Can only be carried on one man s back

All my life I wanted to roam  
To go to the ends of the earth  
But the earth really ends where you started to roam  
You and I know what a circle is worth

Let s drink a cup to what went down  
There s not much left to reveal  
I think I changed my mind after what went down  
As to who in the end got the better deal

Give me your hand for the parting touch  
Fare thee well and thanks a lot  
I know that we promised we would keep in touch  
But you and I know that we both forgot

We ve come a long way since we last shook hands  
Still got a long way to go  
Couldn t see the flowers when we last shook hands  
Couldn t see the flowers on account of the snow
