Couldn t see the flowers on account of the snow

What did you do with your burden and your cross Did you carry it yourself or did you crack You and I know that a burden and a cross Can only be carried on one man s back

All my life I wanted to roam

To go to the ends of the earth

But the earth really ends where you started to roam

You and I know what a circle is worth

Let s drink a cup to what went down
There s not much left to reveal
I think I changed my mind after what went down
As to who in the end got the better deal

Give me your hand for the parting touch
Fare thee well and thanks a lot
I know that we promised we would keep in touch
But you and I know that we both forgot

We ve come a long way since we last shook hands Still got a long way to go Couldn t see the flowers when we last shook hands Couldn t see the flowers on account of the snow
