Eat The Music

Split me open D G A
With devotion D G A
Put your hand in D G A
And rip my heart out D G A

Does he conceal, what he really feels?
He s a woman at heart, and I love him for that.
Let s split him open

Like a pomegranate
Insides out
All is revealed, not only women bleed.

Take the stone out, of the mango
You put it in your mouth
And pull a plum out

Take a papaya, you like a guava?
Grab a banana, and a sultana
Rip them to pieces with sticky fingers
Split the banana, crush the sultana

All emotion, and with devotion
You put your hands in
What are you thinking?
What am I singing?
A song of seeds, the food of love
Eat the music.
