Eat The Music

Split me open           D       G       A  
With devotion           D           G       A  
Put your hand in       D           G       A  
And rip my heart out           D           G       A

Does he conceal, what he really feels?  
He s a woman at heart, and I love him for that.  
Let s split him open

Like a pomegranate  
Insides out  
All is revealed, not only women bleed.

Take the stone out, of the mango  
You put it in your mouth  
And pull a plum out

Take a papaya, you like a guava?  
Grab a banana, and a sultana  
Rip them to pieces with sticky fingers  
Split the banana, crush the sultana

All emotion, and with devotion  
You put your hands in  
What are you thinking?  
What am I singing?  
A song of seeds, the food of love  
Eat the music.
