

Melody

Kate Earl

CAPO 1

Eb

No matter what has ever come to me

Bb

I got my own brand of company

Fm

I got da da da inside my head

Bb

And I play songs back to back until I got to bed

Eb

Bb

Wake up by myself inside an empty room

Fm

There's no body next to mine to ooh-ooh-ooh

Bb

But my skin is warm and my heart is full

Eb

It's the do do do do do do

Bb

Walking waking on a crowded street

With my headphones loud

Fm

So my hips can swing, so my head can nod

Bb

To the rock and roll to the boom boom beat

G#

Fm

And I find that I'm never alone

Eb

And I find that my heart is my home

Bb

And the music within makes me whole

G#

A world that I built on my own

Fm

And I know that I'm never alone

Eb

And I know that my heart is my home

Bb

Every missing piece of me

Fm

I can find in a melody, I can find in a melody

Eb

No matter what has ever come to me

Bb

I got my own kind of company

Fm

I got ba ba ba inside my head

Bb

And I sing songs back to back until I go to bed

Eb

Bb

Thereâ€™s a river in my mind thatâ€™s never still

Fm

Swirling, soothing all the time gives me a thrill

Bb

Swimming in the notes that go

Oh oh- oh oh- oh oh- oh oh

Eb

Bb

Wandering, waking in an empty wood

Fm

It is quiet here, I am powerful

Bb

I look down below, serenade the world

From inside my soul

G#

Fm

And I find that Iâ€™m never alone

Eb

And I find that my heart is my home

Bb

And the music within makes me whole

G#

A world that I built on my own

Fm

And I know that Iâ€™m never alone

Eb

And I know that my heart is my home

Bb

Every missing piece of me

Fm

I can find in a melody, I can find in a melody
