

Melody

Kate Earl

CAPO 1

E

No matter what has ever come to me

B

I got my own brand of company

F#m

I got da da da inside my head

B

And I play songs back to back until I got to bed

E

Wake up by myself inside an empty room

B

F#m

There's no body next to mine to ooh-ooh-ooh

B

But my skin is warm and my heart is full

E

It's the do do do do do do

B

Walking waking on a crowded street

With my headphones loud

F#m

So my hips can swing, so my head can nod

B

To the rock and roll to the boom boom beat

A

And I find that I'm never alone

F#m

E

And I find that my heart is my home

B

And the music within makes me whole

A

A world that I built on my own

F#m

And I know that I'm never alone

E

And I know that my heart is my home

B

Every missing piece of me

F#m

I can find in a melody, I can find in a melody

E

No matter what has ever come to me

B

I got my own kind of company

F#m

I got ba ba ba inside my head

B

And I sing songs back to back until I go to bed

E

B

There's a river in my mind that's never still

F#m

Swirling, soothing all the time gives me a thrill

B

Swimming in the notes that go

Oh oh- oh oh- oh oh- oh oh

E

B

Wandering, waking in an empty wood

F#m

It is quiet here, I am powerful

B

I look down below, serenade the world

From inside my soul

A

F#m

And I find that I'm never alone

E

And I find that my heart is my home

B

And the music within makes me whole

A

A world that I built on my own

F#m

And I know that I'm never alone

E

And I know that my heart is my home

B

Every missing piece of me

F#m

I can find in a melody, I can find in a melody

C# C# F#
 (Sha-doop, sha-doop) When the walls begin to creep in (Aahh..)

C# C# F#
 (Shoo-bop, shoo-bop) And the sky is fallinâ€™™ down (Aahh..)

C# C# F#
 (Sha-doop, sha-doop) When Iâ€™™ swallowed up in feelings (Ohh..)

E E F#
 (Shoo-bop, shoo-bop) I get lost inside the sound...

A F#m
 And I find that Iâ€™™ never alone

E
 And I find that my heart is my home

B
 And the music within makes me whole

A
 A world that I built on my own

F#m
 And I know that Iâ€™™ never alone

E
 And I know that my heart is my home

B
 Every missing piece of me

F#m
 I can find in a melody

F#m
 And I find that Iâ€™™ never alone

E
 And I find that my heart is my home

B
 And the music within makes me whole

A
 A world that I built on my own

F#m
 And I know that Iâ€™™ never alone

E
 And I know that my heart is my home

B
 Every missing piece of me

F#m
 I can find in a melody, I can find in a melody
