 \mathbf{Am}

```
Cause they re all wanting more and more of the taste
              G
Of your diamonds and waste
          G
                  F
What a waste
We are a pack of cards
I may be ace, but you re the king
       C
The king of everything
Look what you win
We are a pack of cards
 Αm
I may be ace, but you re the king
The king of everything
Look what you win
Am
                                    G
And does it feel really good to know that you re understood
Am
And does it feel really good to know you would if you could
(KEY CHANGE!)
We are a pack of cards
 Bm
I may be ace, but you re the king
The king of everything
Look what you win
We are a pack of cards
I may be ace, but you re the king
The king of everything
Look what you win
```
