**D A Bm Bm (x2)**

**D A Bm F#m**  
They put the two of us in a room  
No space for us to breathe or to move, but  
We got along just fine

**G A**  
Almost too fine.

**D A Bm F#m**  
We tell our stories up until now  
I m liking how your story starts out, but  
I wanna be the end

**G A**  
I wanna be

**G A Bm**  
The end is nowhere near here

**G A D**  
Let my heart make this clear

**G A Bm**  
The end is nowhere near here

**A**  
So we play

**D A Bm F#m**  
The waaaaaaiting game

**D A Em**  
The waaaaaaiting game

**D A Em**  
And oh you say, it s all the same

**A**  
It s just a game.

They put the two of us in a maze

We talk about our hearts through the haze, and  
We don't see the end  
We don't see

The end is nowhere near hear  
Let my heart make this clear  
The end is nowhere near here  
And so we play

The waiting game (x2)  
And oh you say, it's all the same  
It's just a game.

We play  
The waiting game (x2)  
And oh you say, it's all the same  
It's just a game.

**D A Bm**

The waiting game (x4)

The end is nowhere near hear  
Let my heart make this clear  
The end is nowhere near here  
So we play

The waiting game (x2)  
And oh you say, it's all the same  
It's just a game.

And so we play  
The waiting game (x2)  
And oh you say, it's all the same  
It's just a game.

The waiting game (x4)
