

Walking In Los Angeles

Kate Micucci

G **Em** **G** **Em**
I m gonna walk two, three, four down the street
G **Em** **G** **Em** **C** **D**
Singing to the sidewalk as I keep to the beat of the cars
Of the cars

G **Em** **G** **Em**
I m gonna watch the pavement to skip the cracks
G **Em** **G** **Em** **C** **D**
Careful not to step on them or break my mama s back
Or go to the moon

C **D**
So we begin
 G **Em**
Another day in California
C **D**
Be good or sin

G **Em**
Don t go right there I tried to warn ya
C **D**
Nothing could be
G **Em**
Prettier than this
G **Em**
Walking in Los Angeles
C **D**
But who does it?

G **Em** **G** **Em**
I m gonna wave hello to the friends I meet
G **Em** **G** **Em** **C** **D**
The city seems much smaller when you travel by the side of the street
Just watch for the borders

G **Em** **G** **Em**
Gonna sing a song to the meter maid
G **Em** **G** **Em** **C** **D**
Tell her it s a holiday or maybe that there s a parade
So forget about quarters

C **D**
So we begin
 G **Em**
Another day in California
C **D**
Be good or sin

G **Em**
Don t go right there I tried to warn ya

C **D**
Nothing could be

G **Em**
Prettier than this

G **Em**
Walking in Los Angeles

C **D**
But who does it?

C **D** **G** **Em**
I wear my fancy shoes and hop with every step
C **D** **G** **Em**
From heel to toe I mean I m marching with me soul between them

C **D**
Stepping down the walk of fame

G **Em** **C** **D**
I ll skip the stars filled with dead people s names
And I ll keep walking

G **Em** **G** **Em**
Gonna sing a song to a homeless man
G **Em** **G** **Em** **C** **D**
I ll take the melody and he ll bang on a tin can
that rings through the city

G **Em** **G** **Em**
And we ll march together for 3-4-4,
G **Em** **G** **Em** **C** **D**
the homeless man, the meter maid, and me marching like never before
We ll wave like we re pretty

C **D**
So we begin

G **Em**
Another day in California

C **D**
Be good or sin

G **Em**
Don t go right there I tried to warn ya

C **D**
Nothing could be

G **Em**
Prettier than this

G **Em**
Walking in Los Angeles

C **D**
But who does it?
