

Cant Shake It
Kate Miller-Heidke

[Verse 1]

Eb **Ebm**
When we go out dancing on a Friday night
Eb **Ebm**
I get this funny feeling, something s not quite right
Eb
My sense of rhythm is incontrovertibly shite
Ebm
I can t fake it
Eb **Ebm**
I can see the pity in your big brown eyes
Eb **Ebm**
The perpetrator lies between my back and my thighs
Eb **Ebm**
It doesn t wanna wiggle though I try, try, try
Eb
I can t make it

[Pre-Chorus]

Gm **Ab** **Bb**
I get the feeling that I look absurd
Ab **B**
I get the feeling that I look absurd
Db
And it hurts

[Chorus]

Eb
I just can t shake it, shake it, shake it
Ebm
Oh no, I just can t shake it, shake it, oh
Eb
I just can t shake it, shake it, shake it
Ebm
Oh no, I just can t shake it, shake it, oh

[Verse 2]

Eb **Ebm**
Couldn t walk the line inside the country scene
Eb **Ebm**
And disco was a flop I m sure no dancing queen
Eb
Couldn t really qualify for break-dancing
Ebm
I just break it
Eb **Ebm**
Tried moving my body to the latest hit
