

**Make It Last**

**Kate Miller-Heidke**

**D G**  
Make it last, make it last

**A**  
You, me together

**D G**  
Make it last, make it last

**A**  
Now, forever, now start

**D G Bm**  
One second, two seconds, I reckon

**A G A D G**  
We ll have a blast if we make it last.

**A D G**  
Doo doo doo. Doo doo doo doo doo doo doo doo doo

**A D**  
doo doo doo doo.

**D G A D**  
When I was a young girl, I would not walk

**D G A**  
I thought, why walk when you can run there?

**D G A D**  
An hour took forever, a day dragged on and on

**D G A**  
Even summer always seemed to last too long

**D G A D**  
But now that I m grown , it s the days that run away

**D G A**  
I walk at a leisurely pace

**D G A D**  
And the people I ve known mostly haven t stayed

**Bm G A**  
Or when we pass in the street, we don t smile, we don t speak

**D G**  
Make it last, make it last

**A**  
You, me together

**D G**  
Make it last, make it last

**A**  
Now, forever, now start

**D G Bm**  
One second, two seconds, I reckon

**A G A D G**  
We ll have a blast if we make it last.

**A D G**  
Doo doo doo. Doo doo doo doo doo doo doo doo doo  
**A D**  
doo doo doo doo.

**G D A Em**  
Banging, banging, banging on the big door of love  
**G D A**  
Never got me anywhere

**G D A G**  
Now that I ve found you I do not want to, I don t want to have to share

**A D G**  
Doo doo doo. Doo doo doo doo doo doo doo doo doo  
**A D**  
doo doo doo doo.

**D G A D**  
I leave you in the morning, I leave you on the bed  
**D G A**  
And I m floating on air until the sundown.

**D G A D**  
But now we re already staring into the bottom of our bottle of red

**D G A D G A D**  
Singing da da da da, da de da de day

**D Em**  
Everything goes so fast

**A**  
So can you make it last?

Can you?

**D G**  
Make it last, make it last

**A**  
You, me together

**D G**  
Make it last, make it last

**A**  
Now, forever, now start

**D G Em**  
One second, two seconds, I reckon

**A G A D G**  
We ll have a blast if we make it last.

**A D G**  
Doo doo doo. Doo doo doo doo doo doo doo doo doo  
**A D**  
doo doo doo doo.

Doo doo doo doo doo doo doo doo doo  
**A D**  
doo doo doo doo.
