G B

[Verse 1]

```
G                    G        B            G
It s the simple things
G            G            B            G
Morning routine
G                    G            B            G
Make me come undone
G                    G            B            G
Makes me come undoooooone
```

[Chorus]

```
C            G                    Em                    G        C
And you ll never look back at the sun cause it s always shining
G                    Em                    G                    C
And he ll never be the one cause he s always climbing
C            G                    Em                    G        C
And you ll never look back at the sun cause it s always shining
G                    Em                    G                    G
And he ll never be the one cause he s always climbing
```

G B

[Verse 2]

```
G                    G        B        G
Never take for granted
G                    G            B        G
I m always there if you want it
```

[Chorus]

```
C            G                    Em                    G        C
And you ll never look back at the sun cause it s always shining
G                    Em                    G                    C
And he ll never be the one cause he s always climbing
C            G                    Em                    G        C
And you ll never look back at the sun cause it s always shining
G                    Em                    G                    G
And he ll never be the one cause he s always climbing
```

C **G** **Em** **G** **C**
And you ll never look back at the sun cause it s always shining
 G **Em** **G** **C**
And he ll never be the one cause he s always climbing

[Outro]

G **Em** **G** **C**
Oh, ooh, oh, the places you ll go
G **Em** **G**
Make me come undone, oh
B **G** **G**
Do I satisfy this dangerous
B **G** **G**
Never good enough for you and I
G **B** **G** **G** **B** **G**
But the possibility keeps us aliiiiiiiiiiiiive

End on G
