

Conventional Girl

Kate Nash

It goes like **C** - **Am** - **C**(which is done on the 5th fret) - **C** through the whole song.

Remember to change the fret to the 5 th on every 3rd C!

C **Am**
Iâ€™m sick of being the bitch
C **C**
That you think I am
C **Am**
Well, I never understood
C **C**
Understood that man
C **Am**
Well, itâ€™s funny how these kind of things
C **C**
Happen to them
C **Am** **C** **C**
When you never even think they would happen again
C **Am**
Well, Iâ€™m sick of being the bitch
C **C**
That you think I am
C **Am**
Well, I never understood
C **C**
Understood that man
C **Am**
Well, itâ€™s funny how these kind of things
C **C**
They happen to them
C **Am** **C** **C**
When you never even think they would happen again

I gave you everything
You did not let me in
My words caught in between
Knowing what was good for me
Whatâ€™s the difference between
Living free and hurting me
This has been quite challenging
But now Iâ€™m thinking differently
Too proud to ask for help
That makes it difficult
Should I just follow suit? Try and figure out myself?
Or should I concentrate
Concentrate on myself?

Or will that leave me here inside my low self-obsessed life?
Why is it like Iâ€™m changing (something) life
(Something) go get high
Well no, you like me
You kinda like me
(Something) a girl now do you love me?
Well Iâ€™m just a girl
And thatâ€™s not enough for me
Hey hey!
Iâ€™m sick of being the bitch
That you think I am
Well, I never understood
Understood that man
Well, itâ€™s funny how these kind of things
Happen to them
When you never even think they would happen again
Iâ€™m sick of being the bitch
That you think I am
Well, I never understood
Understood that man
Well, itâ€™s funny how these kind of things
They happen to them
When you never even think they would happen again
(guitar solo)
Iâ€™m sick of being the bitch
That you think I am
Well, I never understood
Understood that man
Well, itâ€™s funny how these kind of things
They happen to them
When you never even think they would happen again
Iâ€™m sick of being the bitch
That you think I am
Well, I never understood
Understood that man
Well, itâ€™s funny how these kind of things
Happen to them
When you never even think they would happen again
