```
Labyrinth
Kate Nash
[Verse]
I want to say my will is strong
         G
And my kingdom great
I want you to say
You have no power over me
[Chorus]
How did the sky get so dark?
Where is the sun today?
When will the maze fall apart?
When will the maze fall apart?
When will you open your heart?
[Verse]
Trying to let go, trying to move on
Is this really the end?
I ve been so busy, so distracted
But I always come back to the same thing
[Chorus]
How did it get so black and white?
How did it get so black and white?
How could you forget?
[Interlude]
GCGC
[Verse]
Don t talk to me about time
