

**Later On**  
**Kate Nash**

Verse: **C** and **Em**

Chorus: **F** / **G** / **Em** / **Am**

VERSE 1:

**C**

That boy behind the curtain was no-one that I trusted

**Em**

I didn't like his face, I didn't think that he was cute

**C**

But I kissed him just to get some information

**Em**

I used my body and his desperation

**C**

We jumped up, got out of there, yeah we were chased

**Em**

And I'm, I'm telling you that town was a scary place

**C**

But, I would do it all again the same, yeah

**Em**

I would do it all again the same

CHORUS:

**F**

**G**

And later on I'm crying my stupid eyes out

**Em**

**Am**

Later on I'm crying like a baby

**F**

**G**

Yeah baby don't get so disappointed

**Em**

**Am**

I am not what you anticipated

**F**

**G**

And later on I'm crying my stupid eyes out

**Em**

**Am**

Later on I'm crying like a baby

**F**

**G**

Yeah baby don't get so disappointed

**Em**

**Am**

I am not what you anticipated

VERSE 2 (same thing as first verse):

I wish that I did not make the decisions  
I ll never get back into that  
I ripped my hair out of my pockets  
Because I felt bad  
I let him down  
I didn t mean to make him sad

CHORUS:

And later on I m crying my stupid eyes out  
Later on I m crying like a baby  
Yeah baby don t get so disappointed  
I am not what you anticipated  
Later on I m crying my stupid eyes out  
Yeah YEAH, crying like a baby  
Yeah baby don t get so disappointed  
I am not what you anticipated
