|-3---3-----3---3-|
|-----3-----3--|

```

I m heavy handed, to say the least.
 My mother thinks I ll be an awful clutcher cus I spill things from stiring them too quickly.
 I m far too loud.
 Its like, as soon as I ve got an opinion, it just has to come out.
 I laugh at stupid things just cause they tickle me.

****This is the pattern for the next part, it goes faster and faster, listen to the recording for rythm****

C	Am	G	F
---	----	---	---

```

|-----|
|-----|
|---5---5---5---2---2---2-----|
|-----5---5---5---3---3---3-|
|-3---3---3---0---0---0-----|
|-----3---3---3---1---1---1---|

```

and sometimes
 sometimes I wish I was like Mariella
 she got some Pritt stick
 and glued her lips together

so, she never had to speak
 never had to speak, never had to speak
 people used to say she s as quiet as a mouse
 she just doesn t make a peep

she marched to her wardrobe
 and she threw away the color
 because wearing black looks mysterious
 but it didn t impress her mother

she wanted to dress her baby
in patterns and flowers
but Mariella just crossed her arms
and so she cried for hours

Mariella, Mariella, my pretty baby girl
unglue your lips from being together
and, and wear some pink and pearls

you can have your friends round
and they can stay for tea
won t you just try to fit in please?
do this for me

but mariella just crossed her arms
and she walked up the stairs
and she went into her bedroom
and she sat on her bed

and she looked in the mirror
and she thought to herself
If I wanna play, I can play with me
If I wanna think, I ll think in my head

at school
Mariella didn t have many friends, yeah
the girls, they all looked at her
and they thought she was quite strange

and the boys
they re not really into girls at that age
and the teachers, they thought
Mariella was just going through a phase

But Mariella just smiled
as she skipped down the road
because she knew
all the secrets in her world

yes, she always got
the crossword puzzles right every day
and she could do the alphabet backwards
without making any mistakes

Mariella, Mariella, you pretty, pretty girl
Mariella, Mariella
happy in her own little world
happy in her own little world

and she said, yeah, I m never ever, ever, ever, ever
...
gonna unglue my lips from being together...

Last bit is a bit different, same chords, but it just hits the base-notes. The rhythm the same, but if you listen to the recording it's not hard to figure it out. The last is tricky unglue my lips from being together I just strum the C chord very fast a bit a live rock-song ending. It works for me.

C Am G F

```

|-----|
|-----|
|-----|
|-----|
|-3----3-0----0-----|
|-----3----3-1-1-1-|

```

And she says *yeah* I m never ever ever ever ever ever ever ever ever, yeah, I m ever ever ever ever ever, yeah, I m never ever ever ever ever ever ever gunna unglue lips from being together She said I m never ever ever ever ever ever ever ever ever, yeah, I m never ever ever ever, yeah, I m never ever ever ever ever ever ever gunna unglue my lips from being together

If I have made any mistakes, I apologise, it's my first tab, but I wanted to share song because it's so much fun. I play it with a two friends of mine, two on guitar, one it's a lot of fun to see how fast you can go in the end ^^ . Have fun with it
