Pickpocket

Kate Nash

pretty simple.

(jessiebum@yahoo.co.uk)

G D Em C

throughout the song (Y)

Picked you out my pocket
and you fell into the road
you asked me if we d make it better
asked me if we could grow old together
but you dont mean a thing to me
so i ll walk by, quite happily
but now i guess that you, you ve done aswell...

thats it, G D Em C over and over
