

**We Get On**  
**Kate Nash**

Hey. This is my first tab (is it just me, or does it ALWAYS seem to be everybody's first tab on this site?)

Obviously I couldn't transcribe it perfectly, seeing as a piano is a very different instrument to a guitar, but I think I've got the general gist, minus the part which begins with 'So I went to that party...' which is, unfortunately, the best bit (in my opinion), but it's rather difficult.

Here's the intro and pretty much everything else though.

(NOTE: This song can also be played with a capo on the second fret (but keep the finger the same, do not assume the tab is relative to the capo), as I'm aware the initial positioning is quite tricky.)

G-----2---2-----2---2-----5---5---5---5---5---5-----| x 6 (Twice for the
D----5---5---5---5---5---5---3-----3-----| intro, four times
A--3-----3-----| for the verse.)

```

Simply knowing you exist ain't good enough for me  
But asking for your telephone number seems highly inappropriate

```
E-----3---3-----|
B---3---3---3---3---3---|
G-----5---5---5---| x 7
D--5-----3-----|

Seeing as I can't even say 'hi' when you walk by  
And that time you shook my hand, it felt so nice  
I swear I've never felt this way about any other guy  
and I never usually notice people's eyes, but...

```
E-----3-3---3-3---3-3---|
B-----3-3---3-3---3-3---|
G-----2---2-----4-4---4-4---4-4---| x 1
D----5---5---5---5-5---5-5---5-5---|

E-----3-3---3-3---3-3---|

A--3-----3-----|

I conducted a plan  
To bump into you most accidentally, but...  
I was walking along, and I bumped into you much more heavily than I d originally  
planned  
It was well embarrassing, and  
I think you thought that I was a bit of a twat

E-----3---3-----|  
B---3---3---3---3---3---|  
G-----5---5---5---| x 5

I just think that we d get on  
I wish I could tell you face to face  
instead of singing this stupid song  
but yeah I just think that we might get on

\*CURRENTLY UNTABBED\*

So I went to that party  
everyone they were kind of arty  
And I was wearing this dress  
cause I wanted to impress  
I wasn t sure if I look my best  
cause I was so nervous  
But I carried on regardless  
strutting through each room  
trying to find you

And when I saw you kissing that girl  
My heart, it shattered  
and my eyes, they watered  
and when I tried to speak I stuttered

And my friends were like Whatever,  
you ll find someone better,  
his eyes are way too close together  
and we never even liked him from the start.  
And now he s with that tart,  
I heard she d done some really nasty stuff  
down in the park with Michael.

He said she s easy  
 and if your guys are with someone who s that s sleazy  
 then he ain t worth your time  
 cause you deserve a real nice guy

So I proceeded to get drunk and to cry  
 and I locked myself in the toilets the entire night

Saturday night, I watch Channel 5  
 I particularly like CSI  
 I don t ever dream about you and me  
 I don t ever make up stuff about us that would be considered insanity

```

E-----3---3-----|
B----3---3---3-----3---3-----|
G-----5---5---5---| x 9
D--5-----3-----|

E-----|
  
```

I don t ever drive by your house to see if you re in  
 I don t even have an opinion on that tramp that you are still seeing  
 I don t know your timetable  
 I don t know your face off by heart  
 But I must admit that there is a part that still thinks that we might get on  
 We might get on

```

E-----3-3---3-3---3-3-----|
B-----3-3---3-3---3-3-----|
G-----2---2-----4-4---4-4---4-4---5---| x 1
D-----5---5---5---5-5---5-5---5-5-----|
A--3-----5-5---5-5---5-5---3---|
E-----3-3---3-3---3-3-----|
  
```

It s undoubtedly a bit rough around the edges, but it works as a reasonable  
 guitar accompaniment.  
 And it s a beautiful song to play and sing, and that s always nice.

:)

Hope this helped a little.
