Since when was I so keen to share anyway

I don't know
How I feel
Want to feel
Something real
Feel something real
Well nothing is real
Is that what you say?
Well everything's fake
So you're running away
Cause you're so cool

You can't come anywhere near me
You're not coming anywhere near me
Well I'm saying don't look anywhere near me
But you're not coming anywhere near me anyway

I've got big plans
I've got something to say
Tomorrow is important
And so is the next day

I don't know
How I feel
Want to feel
Something real
Feel something real

Well nothing is real
Is that what you say?
Well everything's fake
So you're running away
Cause you're so cool

You're so cool
And I'm a waste of space
You're so cool
And I don't understand it
You're so cool
And I have never been cool
You're so cool
And I'm a freaky, freaky, freaky, freaky girl
