Blooming Heather by Kate Rusby

This is mainly a song for a person with a good voice, the guitar part isn't huge. The chords used are here, I worked from the video

<http://www.youtube.com/watch?v=Y3B2mntKAZo>

Just pick through the chords, make sure the first note is the bass note of the chord and fairly strong. Standard tuning, no capo. Am/D = Am with open D string as the bass note, Am/G = Am with fret 3 of the bottom E string as the bass note.

Intro: **C**

Verse 1

C **C**
Oh the summer time is coming
F **C**
And the trees are sweetly blooming
F **Am**
And the wild mountain thyme
Am/D **Am/G**
Grows around the blooming heather
C
Will ye go, Lassie, go

Chorus

F **C**
And we'll all go together
F **Am**
To pluck wild mountain thyme
Am/D **Am/G**
All around the blooming heather
C
Will ye go, Lassie, go

Verse 2

C **C**
I will build my love a tower
F **C**
By yon pure crystal fountain
F **Am**

And on it i will build

All the flowers of the mountain
 C
Will ye go, Lassie, go

Chorus

F **C**
And we ll all go together
 F **Am**
To pluck wild mountain thyme
 Am/D **Am/G**
All around the blooming heather

Here it has an instrumental bit, which uses the same chord pattern as the verse.

Verse 3

C **C**
If my true love she were gone
 F **C**
I would surely find another
 F **Am**
To pluck wild mountain thyme
 Am/D **Am/G**
Grows around the blooming heather

Will ye go, Lassie, go

Chorus

F **C**
And we ll all go together
 F **Am**
To pluck wild mountain thyme
 Am/D **Am/G**
All around the blooming heather
 C
Will ye go, Lassie, go
 F **C**
And we ll all go together
 F **Am**
To pluck wild mountain thyme
 Am/D **Am/G**
All around the blooming heather
 C
Will ye go, Lassie, go

End: Let us go, Lassie, go

Hope this is helpful :)
