

## Footprints On The Moon

Kate Todd

Lyrics from: <http://www.katetodd.com/>

Standard Tuning

Capo 3

I use D/Dsus2 for riff throughout the song, but it works with just a plain D.

Intro: **D**

**D** **G**  
She grew like a flower now she's pulling up her roots  
**Em** **A**  
she's trading in those small town shoes for some astronaut boots  
**D** **G**  
her daddy says "we'll miss you just don't forget this place."  
**Em** **A**  
You better send us back a postcard when you hit the milky way.  
**G** **Em** **A**  
now the countdown has begun  
**G** **Em** **A**  
and it's 5 4 3 2 1

**D** **G**  
she's gonna run into the sun, break through the atmosphere  
**Em**  
dance with the stars, hang out on mars  
**A**  
light years away from here  
**D**  
she's finding her place up there in space  
**G**  
she won't be back here soon  
**Em**  
no she's not going home  
**A**  
till she leaves footprints on the moon

**D**

**D** **G**  
she waited for this moment since she was just a little girl  
**Em** **A**  
she knows there's something out there for her that's bigger than this world  
**D**  
now she's chasing down those comets  
**G**

sheâ€™s gonna catch them one by one

**Em**

**A**

and sheâ€™ll get to where sheâ€™s going if she can just hold on

**D**
