

Footprints On The Moon

Kate Todd

Lyrics from: <http://www.katetodd.com/>

Standard Tuning

Capo 3

I use D/Dsus2 for riff throughout the song, but it works with just a plain D.

Intro: **E**

E **A**
She grew like a flower now she's pulling up her roots
F#m **B**
she's trading in those small town shoes for some astronaut boots
E **A**
her daddy says "we'll miss you just don't forget this place."
F#m **B**
You better send us back a postcard when you hit the milky way.
A **F#m** **B**
now the countdown has begun
A **F#m** **B**
and it's 5 4 3 2 1

E **A**
she's gonna run into the sun, break through the atmosphere
F#m
dance with the stars, hang out on mars
B
light years away from here
E
she's finding her place up there in space
A
she won't be back here soon
F#m
no she's not going home
B
till she leaves footprints on the moon

E

E **A**
she waited for this moment since she was just a little girl
F#m
B
she knows there's something out there for her that's bigger than this world
E
now she's chasing down those comets

A

sheâ€™s gonna catch them one by one

F#m

B

and sheâ€™ll get to where sheâ€™s going if she can just hold on
