

99 Times

Kate Voegele

(acordes em pestana) **C9 E D**

(intro 2x) **Em Bm**

**Em**

So, you see

**Em** **C9** **D** (pestanado na 5ª casa)

You've got me back again for more

**Em**

And it seems

**Em** **C9**

Your song is in my head

**D**

This is war

**Em** **Bm** **C9**

Mystery, how I could feel you breathe me

**D**

**Em**

I was sure you would keep

**Em** **C9**

Every promise; you would keep

**D**

Every word

Well,

**C9** **Bm**

I try to put your stories in line

**C9**

**D**

But nothing adds up right

**Em**

For every 99 times

**C**

You looked me in the eye,

**Am**

You looked me in the eye

**D**

And swore you weren't lying

**Em**

Well, I was so blind

**C**

I never saw the signs

**Am**

I'm getting out tonight

**D**

And you're not invited

(intro 2x) **Em Bm**

**Em**

Its a shame

**Bm**

**C9**

**D**

That you left me hanging like you did

**Em**

It was brave

**Bm**

**C9**

But it was much more foolish

**D**

Don t you think?

**C9**

**Bm**

Cause you know I wont be satisfied

**C9**

**D**

Until you realize

(refrão 1x)

**C**

These things are oh, all so typical

**Em**

These things are unforgivable

**Am**

**D**

I m gone and you re invisible now

**C**

Don t let me catch you following

**Em**

Don t ask, cause I m not offering

**Am**

**D**

You ve caused enough of my suffering, oh

(refrão 2x)

(intro 2x) **Em C Am D**
