Kate Voegele

(intro 2x) **Bm A D D**

Bm **A** **D (D)**

I ve said it once and I ll say it again

Bm **A** **D (D)**

I ve got something hanging over my head

F#m **Bm**

I was laying on your shoulder

A **D**

Perfectly content

A **G**

Until you told me all over again

Bm **A** **D (D)**

I ain t got no sob story to write

Bm **A**

But just like everyone else,

D (D)

I m living this life

F#m **Bm**

And you don t need to win me over

A **D**

And there ain t no other side

A

To shelter me from;

G

I ll belong where I decide

But you say

D

We don t mess around

Bm

You ve got no freedom to come down

G **A**

We don t take angels from the sky

D

We don t mess around

Bm

You re meant to be among the clouds

Em

`Cause you re an angel

A

But that s a lie

(**Bm A D D**) (2x)

Bm **A**

Well, I suppose you think

D (D)

I m so flattered to hear

Bm **A** **D (D)**

That I m the whisper: conscience in your ear

F#m **Bm**

And that s exactly the reason

A **D**

That I ll never fit in here

A

Nothing s ever that black and white,

G

My dear

`Cause you say

D

We don t mess around

Bm

You ve got no freedom to come down

G **A**

We don t take angels from the sky

D

We don t mess around

Bm

You re meant to be among the clouds

Em

`Cause you re an angel

A

But that s a lie

D

I m not your angel, darling

Bm

I m not your angel, darling

G A

I, I m never gonna be

D

I m not your angel, darling

Bm

I m not your angel, darling

I, I m never gonna be
