

Beg You To Fall
Kate Voegele

D **G A**
So you set out to find the sky like a rocketship
D **G**
And from on this ground you looked so fine
A Em Bm
You insisted you weren't drifting
A G D
That someday you'll be back to take me with you, oh
A
But now you've better things to do

G D Bm A
And I don't wanna stand here and beg you to fall
G D Bm A
Cause one day you'll see I was worth it all
Em Bm
And down on my knees ain't where I need to be
A D, G, A
I'm gone, ain't gonna beg you to fall

D G
Oh maybe one day you'll arrive
A
Like you never left
D G
And find out that while you were learning to fly
A Em
Well you taught me the best
D
Damn lesson
Bm Em G
I will never waste a second on talking you into loving me
D A
My breath is far too precious

G D Bm A
And I don't wanna stand here and beg you to fall
G D Bm A
Cause one day you'll see I was worth it all
Em Bm
And down on my knees ain't where I need to be
A Em
I'm gone, ain't gonna beg you to fall

Bm
For me if your heart's not in it
Bm A

But could you make sure you break me gently
