No Good
Kate Voegele

Tuning: Standard

Intro: **Am Em**

Am   **Em**
 I never feared the unexpected
         D   **G**
 Until I found myself in this peculiar place
Am   **Em**
 Unaware of where I was headed
         D   **G**
 Oh, It turns out it was your footsteps I had chased

Em   **D**   **Am**   **C**
 Well I should know so much better than this
Em   **D**   **Am**   **C**
 But you ve occupied the center of my universe

Am   **Em**
 I m moving in reverse
Am   **Em**
 Under your mighty curse
D   **G**
 I hate myself for loving you
Am   **Em**
 I turn my head away
Am   **Em**
 But my heart will remain
D   **G**
 Until the day I learn you re no good for me

Am Em x2

Am   **Em**
 It s illogical and it s outrageous
     D   **G**
 The way I let you keep me hangin along
Am   **Em**
 Your character is that contagious
    D   **G**
 I know I should have thought before I had done

Em   **D**   **Am**   **C**

```
                I ve gone and let my impulse be my guide
Em                              D                        Am                        C
  And on that note I ll be defenseless for some time

Am              Em
  I m moving in reverse
Am              Em
  Under your mighty curse
D                    G
  I hate myself for loving you
Am            Em
  I turn my head away
Am                Em
  But my heart will remain
D                                    G
  Until the day I learn you re no good for me

D                              C                        G
  Hey you there keep your distance
D                    G
  Don t you come around here
D                            C                  G
  Don t test my patience baby
          D                          G
   Cause I aint gonna let you off easy

Am              Em
  I m moving in reverse
Am              Em
  Under your mighty curse
D                    G
  I hate myself for loving you
Am            Em
  I turn my head away
Am                Em
  But my heart will remain
D                                    G
  Until the day I learn you re no good for me

Am              Em
  I m moving in reverse
Am              Em
  Under your mighty curse
D                    G
  I hate myself for loving you
Am            Em
  I turn my head away
Am                Em
  But my heart will remain

D                              G
```

```
    Til the day I learn you re no good
Em                      Am          G
   Til the day I learn you re no good
D                      G                    Am Em Am
   Til the day I learn you re no good for me
Em         Am              Em         D              G        Am
 You re no good, you re no good, you re no good, you re no good for me
Am         Em              Am         Em
 You re no good, you re no good, you re no good for me
D
 No, no good
G          D                Em
 Oh you re no     good, no
Am  G         D
 Oh you re no good, no
G                 Am
 Oh you re no good
```
