

Say You're Mine
Kate Voegele

E
I bit my tongue for too long, my patience gets a bit thin
I gotta tell you the way that it is

A **E**
I think you know this is something different we've started
We're more than ordinary

A
There's something about the way that the world looks

F# **B**
Brighter when I'm next to you

C#m **A** **E**
No one's gonna love you like I will
B **C#m** **A** **E** **B**
Darlin' you can just take take take your time

C#m **A** **E**
And I've been burning up like a wildfire
B **C#m** **A** **E** **B**
Wishing you would just say say say you're mine,
E **A** **E** **B** **E**
You're mine

E
Let's get ourselves outta town, we'll take the last train out
I got a million things I wanna know

A **E**
It's easy baby with us there's nowhere we can't go
And this love it doesn't scare me

A
Cause I'm running out of reasons not to feel this
F# **B**
I can tell you're dying to try

A **E**
Don't you wonder what it'd be like underneath the streetlights, you and me

A **F#m**
With the city wrapped around us if no one ever found us

B **E**
It s fine with me

C#m **A** **E**
No one s gonna love you like I will
