**G C**  
Iâ€™m going home  
**D G**  
Downhearted and hoping  
**C D G**  
Iâ€™m close to some new beginning  
**Am**  
I know  
**Bm Em**  
Thereâ€™s a reason for everything  
**D**  
That comes and goes

**C G**  
But so many people are looking to me  
**Em**  
To be strong and to fight  
**D**  
But Iâ€™m just surviving  
**C G**  
I may be weak but Iâ€™m never defeated  
**Am**  
And Iâ€™ll keep believing  
**D G C D x2**  
In clouds with that sweet silver lining

**G**

Most days

**C D**

I try my best to put on a brave face

**C**

But inside

**D**

**G**

My bones are cold and my heart breaks

**Am**

But all the while

**Em**

**Em**

Something's keeping me safe

**D**

And alive

**C**

**G**

But so many people are looking to me

**Em**

To be strong and to fight

**D**

But I'm just surviving

**C**

**G**

I may be weak but I'm never defeated

**Am**

And I'll keep believing

**D**

**G**

In clouds with that sweet silver lining

**Em**

**D**

I won't give up like this

**C**

**D**

I will be given strength

**Em**

**Em**

And now that I've found it

**D**

Nothing can take that away

**C**

**G**

But so many people are looking to me

**Em**

To be strong and to fight

**D**

But I'm just surviving

**C**

**G**

I may be weak but I'm never defeated

**Am**

**D**

And I'll keep believing

**C**

**G**

But so many people are looking to me

**Em**

To be strong and to fight

**D**

But Iâ€™m just surviving

**C**

**G**

I may be weak but Iâ€™m never defeated

**Am**

And Iâ€™ll keep believing

**D**

**G**

**C D G C**

In clouds with that sweet silver lining, oh

**D**

**G**

**C D**

Sweet silver lining

**G C D x3 (C G D) G**
