How many times have you used that line?
                                            Em (Em)
Did you replace the last two dozen names with mine?
                 В7
                                        Em (Em)
Was "I love you, baby― second nature by now?
                                                          Em (Em)
 â€^{\sim}Cause it sounds awful rehearsed when the words leave your mouth
 I don't know why
 But it seems that I'm not the first
        F:m
 To have heard this speech
             D
                             Em (Em)
 Is this a routine you just repeat?
                   (G7)
  Cause I don't mean to presume that
 You don't love me like you say you do
 But you're gonna have to prove that you're true;
 And you're not just talkin' smooth

Your performance deserves an academy award
                       в7
And it's a double-edged-sword â€~cause I sure feel adored
                                       Em (Em)
Just between us, I'd rather see you slip up
Don't you know, it's those less than perfect words
            Em (Em)
I can't get enough of
          D
Maybe I'm out of my head
But I'm telling you, baby, that I've been misled
So if the record's off, could you get it set?
            (G7)
I don't mean to presume that
You don't love me like you say you do
But you're gonna have to prove that you're true;
And you're not just talkin' smooth
Well you've proven your charm is a crime
Why don't you see the harm
              Am
In relying on this disguise?
       Gm
You're losing me with every little
C#m

Wink of the eye
              в7
The end of my rope
Is slipping out of my hold
So, if you're clever, you'd better
Do some damage control
And I don't know why, but it seems
You've made a game out of
