```
E                        A
I see the ghosts on the sidewalk  they re passing by

Everyone s wearing blinders  identical minds

            E                        A
Be going upstream when everyone s going down
                            E                    A
In the center of the storm  but I still stand my ground

You can t change me
```

Chorus:
