

Fireworks

Kate Walsh

These chords may not be exactly how she plays but they sound lovely, and it sounds extra transposed to F. (the A#m is optional, she doesn't play it but it adds a little more to song)

G#

It's that time of year again

C#

G#

think I'll stay in tonight

G#

My dogs are barking, shaking scared

C#

G#

We don't light fireworks in this house

C#

G#

I hate the way they shoot and sparkle

C#

G#

It reminds me of a time I often clung to

C#

G#

And when I see the Catherine wheel turn

C#

(**A#m**)

G#

it only leaves me with heartburn

C#

Cause it's the 5th of November

G#

It's the 5th of November

C#

G#

It's the 5th and these fireworks make me blue

C#

It's the 5th of November

Cm

It's the 5th of November

C#

(**A#m**)

G#

It's the 5th and I'm remembering you

G#

It's cold out there the grass is wet

C#

G#

And I don't care for muddy in my shoes

G#

I can see them from the window, see them if I want to

C#

G#

Leave me here with arms that I can cling to

C#

G#

Children getting louder and louder

C#

G#

They roll around the sky like thunder

C#

G#

And later all my friends will come to tell me

C#

(**A#m**)

G#

about amazing fireworks they ve seen

C#

Cause it s the 5th of November

G#

It s the 5th of November

C#

G#

It s the 5th and these fireworks make me blue

C#

It s the 5th of November

Cm

It s the 5th of November

C#

(**A#m**) **G#**

It s the 5th and I m remembering you
