

Pretender

Katharine McPhee

As heard on Smash by Karen Cartwright! Enjoy!

Capo on 5th Fret

G

Your dirty kiss, you tried to pull me right in

Em

Your little tricks, you re used to winning

Cadd9

You play your part, dancer in the dark

D/F#

Saying anything to try and steal away a heart

G

Now you got her, she s lying up in your bed

Em

Don t seem to stop ya, you keep on calling

Cadd9

You re out of line, waster of my time

D/F#

I just want to know how you can fall asleep at night

G

Hey, baby, you re just a pretender

Em

I m not crazy, should ve known much better

Cadd9

Whatever you do, always twisting the truth

D/F#

Well the table s bout to turn back right back on you

G

You must be drunk, did you forget your way home?

Em

I m not the one who s scared of being alone

Cadd9

Got me confused with someone who needs you

D/F#

Might be the joker but I m nobody s fool

G

Hey, baby, you re just a pretender

Em

Don t mistake me, you might think you re clever boy

Cadd9

Whatever you do, always twisting the truth

D/F#

Well the table s bout to turn back right back on you

Em

Take all your life on somebody else

Cadd9

I got more strength, got more pride in myself

D/F#

So, what now, who you gonna mess around?

D/F#

I can tell you right now, ain t gonna be me

G

Hey, baby, you re just a pretender

Em

I m not crazy, should ve known much better

Cadd9

Whatever you do, always twisting the truth

D/F#

Well the table s bout to turn back right back on you

G

Em

Cadd9

D/F#

Well the table s bout to turn back right back on you
