

Pretender

Katharine McPhee

As heard on Smash by Karen Cartwright! Enjoy!

Capo on 5th Fret

G#

Your dirty kiss, you tried to pull me right in

Fm

Your little tricks, you re used to winning

C#add9

You play your part, dancer in the dark

Eb/F#

Saying anything to try and steal away a heart

G#

Now you got her, she s lying up in your bed

Fm

Don t seem to stop ya, you keep on calling

C#add9

You re out of line, waster of my time

Eb/F#

I just want to know how you can fall asleep at night

G#

Hey, baby, you re just a pretender

Fm

I m not crazy, should ve known much better

C#add9

Whatever you do, always twisting the truth

Eb/F#

Well the table s bout to turn back right back on you

G#

You must be drunk, did you forget your way home?

Fm

I m not the one who s scared of being alone

C#add9

Got me confused with someone who needs you

Eb/F#

Might be the joker but I m nobody s fool

G#

Hey, baby, you re just a pretender

Fm

Don t mistake me, you might think you re clever boy

C#add9

Whatever you do, always twisting the truth

Eb/F#

Well the table s bout to turn back right back on you

Fm

Take all your life on somebody else

C#add9

I got more strength, got more pride in myself

Eb/F#

So, what now, who you gonna mess around?

Eb/F#

I can tell you right now, ain t gonna be me

G#

Hey, baby, you re just a pretender

Fm

I m not crazy, should ve known much better

C#add9

Whatever you do, always twisting the truth

Eb/F#

Well the table s bout to turn back right back on you
