

Pretender

Katharine McPhee

As heard on Smash by Karen Cartwright! Enjoy!

Capo on 5th Fret

A

Your dirty kiss, you tried to pull me right in

F#m

Your little tricks, you re used to winning

Dadd9

You play your part, dancer in the dark

E/F#

Saying anything to try and steal away a heart

A

Now you got her, she s lying up in your bed

F#m

Don t seem to stop ya, you keep on calling

Dadd9

You re out of line, waster of my time

E/F#

I just want to know how you can fall asleep at night

A

Hey, baby, you re just a pretender

F#m

I m not crazy, should ve known much better

Dadd9

Whatever you do, always twisting the truth

E/F#

Well the table s bout to turn back right back on you

A

You must be drunk, did you forget your way home?

F#m

I m not the one who s scared of being alone

Dadd9

Got me confused with someone who needs you

E/F#

Might be the joker but I m nobody s fool

A

Hey, baby, you re just a pretender

F#m

Don t mistake me, you might think you re clever boy

Dadd9

Whatever you do, always twisting the truth

E/F#

Well the table s bout to turn back right back on you

F#m

Take all your life on somebody else

Dadd9

I got more strength, got more pride in myself

E/F#

So, what now, who you gonna mess around?

E/F#

I can tell you right now, ain t gonna be me

A

Hey, baby, you re just a pretender

F#m

I m not crazy, should ve known much better

Dadd9

Whatever you do, always twisting the truth

E/F#

Well the table s bout to turn back right back on you

A

F#m

Dadd9

E/F#

Well the table s bout to turn back right back on you
