G C

I know how to play this game

G C

One, two, three and I m safe

G C

Count real slow to five

G C

You couldn t keep me around if you tried

G C

I know how to beat the rage

G C

Of my tender age

G C

Touch me once in the hall

G C

But don t look back and don t call

C D Em

There are some things I can hardly say

C D Em

You ve got me feeling a brand new way

C D Em D

Please don t let this be summerlong

G C

I used to play this game

G C

In the middle lane

G **C**
Pass them all on the inside

G **C**
And don't get caught in a lie

C **D** **Em**
There are some things I can hardly say

C **D** **Em**
You've got me feeling a brand new way

C **D** **Em**
All the nights and wasted time

C **G** **D**
Trying to get my head to change its mind

C **A**
All the talk of what it could be

C **A**
When it never was

(same as above)
There are some things I can hardly say
You've got me feeling a brand new way
Please don't let this be summerlong
Please don't let this be summerlong
Cause I want to stay
