

Scream

Katie Armiger

G **C/G**
Guess I didn't know how to take it, that night we had that talk
G **C/G**
Found out about my replacement, I just smiled and shook it off
G **C/G**
I didn't ask you any questions, didn't beg you to stay
Am7 **C**
You said you knew that I would understand, then I watched you drive away
When there's just no words to stay

G **D**
I scream at the top of my lungs
Em
Yeah, I come undone
D **C**
I crash like broken glass when no one's around
G **D/F#**
I cry out, in the silence I can't take
Em **D** **C**
To cover up the sound it makes when I let my heart break
G G/B C
I scream
G G/B C
I scream

G **C/G**
I always say the right things, at all the right times
G **C/G**
I know I'm not the perfect girl, but for some reason I try
G **C/G**
To be the one who's smiling and laughing, to make sure everyone's okay
Am7 **C**
I can push those tears back inside like an actress on a stage
But when the curtain falls away

G **D**
I scream at the top of my lungs
Em
Yeah, I come undone
D **C**
I crash like broken glass when no one's around
G **D/F#**

I cry out, in the silence I can't take

Em
