

Anywhere Place
Katie Costello

C **Am** **F**
Tell me a story that consists of more than once upon a time the end
G

Staring that same familiar friend
C **Am**
Sing me a song that I can hum upstairs and back
F **G**
That can live in my mind, maybe for all time

F **G**
I don t need a wall or face
F **G**
I just need a place
F **G**
I can call and name my own
F
My anywhere place
G
My anywhere place

C **Am**
Walk with me somewhere where I can run until no end
F **G**
Hands held tight and no one is looking for me this night
C **Am** **F**
Look with me someplace where the sky is as endless as the rhythm of the sea,
G
It rhymes in ecstasy

F **G**
I don t need a wall or face
F **G**
I just need a place
F **G**
I can call and name my own
F
My anywhere place
G

C **Am** **F**
Now that the trees are gone and the water is cool
G
I ll go back to where I can find what s true
C **Am** **F**
Where it isn t grey, where I can stay
G
My anywhere place
