Lyrics to Sumatra :

Intro: **Am, F, Dm, E, Am**

Am **F** **G**
Everyone needs someone to touch them
Am **F** **G** **E**
Everyone needs someone to hold
Am **F** **G** **E**
So whyâ€™s it so damn hard to love when weâ€™re alone

Am **F** **G**
Iâ€™ve lived a lifetime telling stories
Am **F** **G** **E**
About the way we live and die
Am **F** **G**
When love was born it was a mystery
 E
Iâ€™m yet to find

(intro)

Am **F** **G**
And when I wake up in the morning
Am **F** **G** **E**
There is a twinkle in my eye
Am **F** **G**
That maybe someday you will meet me
 E
In the light

Am
Iâ€™ll let you whisper
Dm
Iâ€™ll let you hold me
G
Do what you came to
E
You are the only
Am
I will not cry out
Dm
I will not fight you
G
Iâ€™ll let you have me
E

All that you want to

Am

Iâ€™ll give you sunsets

Dm

Iâ€™ll give you kisses

G

Iâ€™ll give you songs that

E

That no one else hears

Am

Itâ€™s not enough love

Dm

Until you know me

G

Until you touch me

E

Until you hold me
