Moonshine

Katie Melua
Well my eyes are closed
C#m A
But my heart s on fire
B C#m
Because the clock is approaching
The midnight hour
I leave my window open
All the lights are out
And from the darkest night
Comes the lightest shout

Moonshine **C#m A** Moonshine moon **B C#m** The cow jumped over the moonshine moon **C#m A B C#m** Moonshine Moonshine moon I ll love you tonight under the moonshine moon

Well as we walk through the streets There s no-one nowhere And our nightgown s trailing And our feet are bare I don t know where we re going And I don t care Just as long as you re here And the moon s up there

Moonshine Moonshine moon The cow jumped over the moonshine moon Moonshine Moonshine moon I ll love you tonight under the moonshine moon

Now all the little boys and girls around the town Dreaming through the darkness till the moon goes down But me and my baby gonna be up all night Dancing under the moonlight

Moonshine

Moonshine moon I ll love you tonight under the moonshine moon Moonshine Moonshine moon The cow jumped over the moonshine moon
