

Moonshine

Katie Melua

Well my eyes are closed

Bm G

But my heart s on fire

A Bm

Because the clock is approaching

The midnight hour

I leave my window open

All the lights are out

And from the darkest night

Comes the lightest shout

Moonshine

Bm G

Moonshine moon

A Bm

The cow jumped over the moonshine moon

Bm G A Bm

Moonshine

Moonshine moon

I ll love you tonight under the moonshine moon

Well as we walk through the streets

There s no-one nowhere

And our nightgown s trailing

And our feet are bare

I don t know where we re going

And I don t care

Just as long as you re here

And the moon s up there

Moonshine

Moonshine moon

The cow jumped over the moonshine moon

Moonshine

Moonshine moon

I ll love you tonight under the moonshine moon

Now all the little boys and girls around the town

Dreaming through the darkness till the moon goes down

But me and my baby gonna be up all night

Dancing under the moonlight

Moonshine

Moonshine moon

I ll love you tonight under the moonshine moon

Moonshine

Moonshine moon

The cow jumped over the moonshine moon
